Sir,

SUBJECT:- Formation of Military Colony

With reference to letter No. 841-CI-1520/15-
dated 8-3-48 from the Chief Commandant, Mysore State Troops
addressed to you and copied to this office, in regard to the
formation of a Colony exclusively for Military personnel,
I have the honour to state that the Trust Board has under
contemplation a number of Housing Schemes

2 On receipt of communications from the
Headquarters, Mysore State Troops, on previous occasions
asking for the grant of sites to Military personnel, a reply
was sent with this office letter No. 3172 dated 23-5-47
to this effect, and also intimating that the cases of Military
Personnel for grant of sites would be kept in view along with
the cases of others after the formation of the contemplated
extensions. Subsequent communications received from the
Chief Commandant on the same subject, have also been replied
to in this office letter Nos 8/47-48 dated 6-7-47, 463/47-48
dated 19-8-47 and 2179/47-48 dated 6-3-48.

3 In regard to the incessant demand made
by the ^{Military} Headquarters for the formation of a Colony exclusively
for Military Personnel, this is a matter of Policy which has
to be decided by Government. The Yeswanthapur Colony, which
is at present being surveyed would, when developed, afford
a good place for a Colony where the Military Personnel could
also be housed

4 The question of earmarking this area
exclusively for Military Personnel will be placed before
the Board when the Scheme gets ready and their decision

=====

With reference to para 2 of letter No 93 MSB/45-4 dated 12th January 1946 from the Secretary, Mysore and Soldiers Board (copy enclosed) regarding the formation of a Military Colony at Yeswanthapur, I have the honor to invite reference to correspondence ending with Government Order No G 1237-41/Mily-25-40-2 dated 14th August 1940 on a similar subject The consideration of the scheme was then held over owing to a small number of applicants Now about 186 applications have been received and some more are expected, it is therefore desirable to take this scheme now Conditions have changed since 1940 and the lands which were available in 1940 may not be available now An Improvement Trust Board has been constituted for Bangalore City

Quarterly welfare returns

With reference to your letter No C7-834/44 dated
16-11-1945, I am directed to observe that the Welfare
Officer appears to have contented himself with merely
sending a list of Military grantees who have not yet
secured possession of lands and that it would have
been better if he had contacted the Revenue authorities
himself and got the matters expedited. Most of his
work appears to be mere correspondence.

As regards the Military Colony at Yeswantapur re-
ferred to in his report, I am to request you to examine
the proposals, if any, made by him and to expedite
submission of proposals to Government in case the
scheme commends itself to you.

Subject - Formation of Military colony

With reference to your letter No 22 dated 3rd
July 1946, I have the honour to state that the Officers
Commanding, of several units at Bangalore were consulted
in the matter and they are of opinion that there is no
need to form a separate military colony for the Military
personnel and it is sufficient if sites are granted to
them at concessional rates in the extensions of the city.
The value of the sites should be sufficiently cheap to
enable the Military personnel to be able to construct
houses, and live in them. If it is found difficult to
allow the Military personnel only sites at concessional
rates in general localities, the allotment of separate
blocks for them at concessional rates will be necessary
